

The screenshot shows a Windows 10 taskbar. On the left, the Start button is visible. The taskbar contains several pinned application icons: Microsoft Edge, Google Chrome, a folder icon, Outlook, Word, Excel, PowerPoint, a PDF viewer, a help icon, a printer icon, a network icon, a volume icon, and a clock showing 08:12 p.m. on 28/11/2018. The system tray on the right contains icons for the taskbar search bar, a printer, a network connection, a volume control, and a clock.
